

Clubhouse Rental Information

Thank you for considering our facility for your special event! We would be honored to host you and your guests and will strive to make your experience memorable. Our Golf Club has been hosting events for nearly 20 years and has been featured in various magazines in the Jacksonville area. Below we have frequently asked questions that may help with your selection of a venue:

- The main event space is 2,500 square feet; it is a traditional club house with a built-in bar.
- The dining room and bar both have flat screen TVs that can loop photos or be used for a presentation.
- The dining room has a wall of French doors looking out on to the 18th green.
- We have a putting green right off of the covered patio, with a pool table that can be moved where needed. We also have a dart board and a shuffle board inside the bar area.
- Sound is wired throughout the facility. DJs, photo booths, MCs, and the like, are all welcomed at North Hampton. We are more than willing to assist with those accommodations for additional fees for service.
