## CONGRATS!

Thanks so much for getting in touch with me about your upcoming, special day – big hugs and congratulations again for sealing the deal!

With an abundance of starry-eyed happiness and clinking of glasses awaiting, I'd absolutely love to be a part of your celebrations. As a wedding photographer, I adore capturing the raw, unabashed connection between two souls, embracing the essence of your romance.

### *Why I can't wait to document your day*

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun bits). I'll even make sure to snap authentic moments that may have slipped by unnoticed – they're the best ones!

Whether you want me to inconspicuously lurk in the shadows, snapping candid shots or be right up front, rounding everyone up for group photos, I'll be the chameleon you need on the day. Either way, I'll be behind the lenses, not missing a beat.

Hand on heart, every ounce of my energy will go towards creating a gorgeous collection of images to forever memorialise your day. When you look through the photos, memories will come to life and it'll be as though you're right there doing it all over again.

# HI, I'M STEPHEN

---

A creative soul with a love for romance.

I have always been creatively minded and had a deep love for true connection between humans, the unabashed real type of connection. I believe, at the end of the day, these true moments, even the smallest ones, are what mean the most. Weddings are filled with these tiny moments and the fact that I get to capture them, stop time and hand them onto you to be remembered forever means more than you may ever know.

Chat soon, I can't wait to hear all about your ideas and plans for the day.

---

# SECOND SHOOTER

*The perfect solution to cover multiple locations or big weddings.*

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- you have a large guest list and want to make sure we get shots of everyone that's there on the day
- you and your partner are getting ready at the same time and the locations are far apart
- you're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as my wingman/ wingwoman, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured, from start to finish. locations far apart. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

---

*+\$800 for a second shooter*

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.
