## Wedding Packages

*Your special day is one you will remember for the rest of your life. Make sure you choose a photographer that will keep the memories alive. We focus on capturing all the little details. We strive to ensure your day is special, and that we capture that moment in time for you to reflect on the rest of your life together. We offer print and album packages as well. We work with a high-quality professional printing studio here in the twin cities. Prices vary, and we meet with you ahead of your wedding to determine exactly what you want.*

### Starting at \$3500
