First and foremost, Congrats on your engagement! I am excited to hear about your love story and the potential to capture your moments.

My name is Breanne Frost, I have been a photographer since 2008 and travel the Tri-State area of NY, NJ and PA. I have shot over 200 weddings since then. I personally, am shy in front of the camera so I know where my clients are coming from. I like to make it fun and playful, with poses and prompts.

10 words that best describe me are: loyal, punctual, professional, mother, wife, self proclaimed chef, sarcastic, artsy, fun, adventurous.

I LOVE what I do, capturing the expressions of the day, that will last for a lifetime. My style is mainly photo journalistic and candid, I also direct my clients into poses to look natural and classic.

The Perfect mixture for the Perfect day!
