

Hello & Congratulations!

This day will be the best day of your life! It was for me. I have photographed over 500 weddings and have learned what, where and when things work best on your wedding day. My goal is to make things simple & easy.

I understand that who you hire can be a reflection on you. With that I do the best possible job to make sure you, your family & friends have the smoothest experience with all photos that they possibly can - making your day as fun as it should be. I'm happy to chat with you anytime about your thoughts, concerns or goals for your big day.

Sincerely,

Peer
