Thank you for choosing Grand Pacific Junction Events to plan the most important event of your life. We understand that you have thoughtfully planned the details of your wedding weekend and our dedicated on-site event coordinators will pay careful attention to every detail so you can relax and enjoy every aspect of your event.

Let the love and warmth of your wedding day extend to the days before and after, filled with joyful gatherings of family and friends. With several unique venues to choose from, you and your guests can share the experience all weekend long.

Begin with a ceremony rehearsal two days prior to your event. Conclude the evening by enjoying your rehearsal dinner held in either of our two private dining locations. Gather in the **Riverside Room** of our **Wedding Chapel** for a flawless transition from rehearsal to dinner, or dine in the upper floor of **The Grand Pacific Hotel** with historic charm and plenty of space to mingle in an intimate, private setting with your closest family and friends.

Between our historic **Wedding Chapel** featuring classic décor and traditional charm, and our lush **Wedding Gardens** with built-in amphitheater style seating, your ideal ceremony site is situated near easy access to our beautifully appointed reception sites. Ready rooms for the entire wedding party are conveniently located at both ceremony sites. After your ceremony, continue the celebrations in our **Historic Hotel**, newly transformed **Chapel Riverside Room** or dance beneath the stars and classic chandeliers in our outdoor pavilion at the **Wedding Gardens**.

Ask your wedding coordinator for more information about rehearsal dinner space and pricing.

Save the Date!

In order to secure your wedding date and space, we ask that you “Save the Date” with a deposit of \$500 for each venue space reserved.

Save the Date deposits are non-refundable and will be applied to your final event charges. We look forward to helping you plan an experience that you and your guests will never forget!

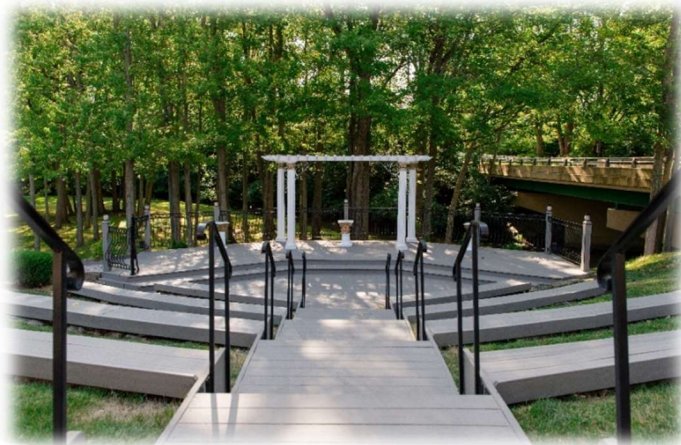

Grand Pacific Wedding Chapel

The Grand Pacific Wedding Chapel is one of the most unique wedding chapels in Ohio. It was originally erected in 1851 as a Methodist Episcopal church. It was acquired in 1956 by the Masonic Lodge, who used the building until 2001, when our Founder Clint Williams purchased and restored it to its original Victorian grace.

The furnishings reflect the chapel's Victorian era complete with an elegant Bride's Dressing Room and balcony overlooking the graceful creek and arched bridge. A vintage 1880 back bar and dance area create a memorable setting you and your guests will love. The garden entrance leads to our charming Riverside Room reception area that accommodates up to 75 guests while the upstairs chapel can accommodate 160 guests.

Grand Pacific Wedding Gardens

The Grand Pacific Wedding Gardens, nestled by a flowing creek, is the perfect place for your outdoor wedding, reception or family celebration.

The coliseum-style seating for 125-150 guests, stone fireplace and Greek pillars covering the garden pavilion keep in the character and charm of our historic district. This location boasts a quaint dressing cottage with separate rooms for the bride and groom, and an outdoor bar area with flowered walkways. Let nature envelope your senses and dance under the stars for that perfect day you will forever call your own.

The Gardens are available Mid-May through Early October.

Grand Pacific Hotel

Experience the elegance of the 1800s at The Grand Pacific Hotel, a restored reception and banquet hall built between 1830 & 1840. Thomas Brown, the first proprietor of the building, christened it with the grandiose name "The Grand Pacific Hotel." It is believed to be the oldest commercial structure still standing in Olmsted Falls & Township.

Placed on the National Registry of Historic Places in the mid-1970's, it was eventually purchased and restored by our Founder Clint Williams in 1989 to be the centerpiece of Grand Pacific Junction and is our main banquet facility. The main floor of the hotel features a built in bar and plenty of space to host a wedding reception. The upper floor can accommodate smaller groups for cocktail receptions, rehearsal dinners and other small gatherings.
