

# Wedding Dance Lessons

**Bride & Groom \* Father & Bride \* Mother & Groom**

Here at RhythmAddict we customize our wedding dances to each of our unique couples, so whether you're looking for something fully choreographed, or you prefer to learn some moves and apply them in a dance, we absolutely can do either. Our goal in either is to ensure that your personality shines through so that on your big day it doesn't look like a bunch of choreographed moves, but it's more about you as a couple and dance moves that look natural.

**First Look (Most Popular):** 6-45min Private Lessons for \$690 (per couple). This gives you just enough time to work on the basics, a couple of moves in the middle, and of course a wonderful entrance and finale, along with time to practice and make your dance comfortable and fun.

**First Embrace:** 9-45min Private Lessons for \$945 (per couple). Great for the nervous and/or inexperienced bride or groom, or those rhythmically challenged. It's everything in First Look plus more time to concentrate on musicality and style to make the dance look and feel natural.

**First Kiss (Best Value):** 12-45min Private Lessons for \$1,179 (per couple). Be the master on the dance floor! It's everything in First Embrace plus more time to work on nerves, timing and style plus add in some really amazing moves that will have everyone clapping and going crazy for you.

**No Time:** If your wedding date is just a little while away and you want a couple of tips to make your first dance more than what you can do on your own, we do offer a single private lesson for \$125, or you can get 4 for \$475. We can definitely help you feel better on your big day, as long as expectations are managed of a single class versus 6 or more.

Whichever package fits your time schedule and budget, you can trust RhythmAddict to help you to show off to your guests and really treasure that couple of minutes on the dance floor, united for the first time as husband and wife
