*Full Planning*

*Nicole of Purple Door Planning was such a huge help in planning and executing my stepdaughter's wedding! She was with us every step of the way from recommending vendors, working out the timeline, and helping us make decisions so that our day was perfect. The work Nicole did on the day of the wedding was priceless and we were able to fully enjoy the day without worrying about all the little details. I am so glad that we made the decision to work with Nicole!*

*A wedding coordinator was last-minute decision (day-off) for us. Nicole came in and ran the day as if she had been planning with us for months. The ceremony was relocated, and she was able to realign the wedding party to perfection. She was professional, attentive, and took care of every detail. I recommend her highly to anyone planning a wedding.*
