

Pricing Guide

How much do you charge?

My fees vary depending on day of week and type of service:

- Saturday Wedding – \$700
- Friday or Sunday Wedding- \$600
- Monday through Thursday Wedding – \$500
- Simple Elopement – Flexible schedule- \$300

That fee includes an original wedding ceremony written specifically for you. If you still want a fun officiant who will connect with your audience but you don't want me to tell your love story, subtract \$100. A \$100 deposit is due to book the date. A \$100 fee will be charged for weddings outside of Maricopa County. The balance is paid the week of your wedding. I accept cash and checks but my preferred method of payment is Venmo.
