ROSS HALL PACKAGES

The Ross Hall is St. Mary's main banquet hall. This space features accommodation for up to 285 guests, a large caterer's kitchen, separated reception lobby, dual restrooms, and a backroom that can be used for your buffet line or as a backup ceremony space. The Ross Hall also has a built in AV system, and dual screen & projectors (which can be used for an additional cost). Every rental comes with an event manager, tables & chairs to accommodate your guest count, set up, break down, and post-event cleanup. We've also got an extensive list of additional services (listed below). You can upgrade the included event manager to our in-house Wedding planner/ event coordinator. She will walk you through every step of your planning process, and will coordinate everything (including your vendors) the day of your wedding.

OTHER SERVICES

More than Just an Event Space

So much goes into making your wedding perfect, and a lot of that responsibility falls onto your venue and vendors. It's important to hire a team that understands your vision and can balance your expectations. It's also important to hire vendors that are familiar with your venue, and that's why we've prepared a list of recommended vendors. When you book your wedding with St. Mary's you aren't just renting an event space, you're hiring a team that is committed to making your day perfect.

Event Planner & Coordinator

St. Mary's provides an experienced event manager with every reservation. Our event manager will be your point of contact throughout the entire process and up until your big day. Our event manager will also help you write up a timeline of events, combining our experience with your preferences – and if you opt into our day-of coordinator/ wedding planner we will help you with everything, and will keep that timeline running smoothly.

Photo Booth Rental

Provided by Premium Booths LLC

DJ & MC Services

Provided by 'Turn it Up' Deejays & Emcees

Package One

\$600

This package is designed for someone that doesn't need all of the bells and whistles. DJ's can get expensive, and if music isn't a major concern of yours then this package is perfect for you. This package includes a professional DJ and MC for up to 4 hours (additional time can be added at \$50/hr), speakers, microphone, and DJ booth. Our DJ's will follow any timeline that is provided, and will make all of the necessary announcements/ introductions as the night progresses. Our DJ's are trained to read a crowd so providing music isn't necessary, but if you prefer you can provide them with a list of requests for them to mix in. All taxes, booking fees, and delivery costs are covered in the price above.

Included in This Package

- DJ & MC Services for 4 hours
- Speakers and microphone
- Announcements and introductions
- Custom music playlist
- DJ booth

Package Two
