# Food Art

# FAQS – IT'S GOOD STUFF!

**1. Why CHEF360 Catering?** Hospitality. When you select CHEF360 Catering, everything about your event will reflect you, your expectations, and your vision. Our quality is exceptional, our staff is professional, and our standards are impeccable. While we do have “all-in-one” menus you can select from, anything is customizable. When it comes to your menu and your vision, our only rule is there are no rules.

**2. What services does CHEF360 Catering provide?** CHEF360 Catering is a full-service catering company. In addition to planning your menu with you, we can facilitate rental items, assist with setup/breakdown, staff your event, and suggest and provide décor items. We cover all the bases, from food drop-offs to full event execution and stylizing.

**3. What is KS360?** KS360 is our in-house kitchen studio. We also have a Tasting Room where we can host small birthday parties, holiday events, seminars, and meetings.

**4. Can CHEF360 Catering cater at any location?** Yes. There may be additional delivery/mileage charges for certain destinations, but CHEF360 Catering can cater at many different venues.

**5. Do I get a tasting?** We do not expect you to spend thousands of dollars without sampling the menu. We do ONE complimentary tasting of your tentative menu for up to 4 guests.

**6. I have some favorite family recipes I want to incorporate into my event. Can you do that?** Yes! CHEF360 Catering can customize any menu for you, including creating special dishes you would like to incorporate.

**7. How do I confirm my date?** A nonrefundable deposit of 50% of the estimated event total along with a signed contract is due to confirm a date. This amount will be based on the proposal created for you by the CHEF360 Director of Sales. Even when paying by cash or check, CHEF360 Catering must have a credit card/debit card on file.

**8. When is the balance payment due?** 90 days before the event date, half of the remaining balance is due. This amount is also nonrefundable. The final guest count is due (10) business days before the event date, the final balance is due (7) business days before the event. There will be NO REFUNDS for drops in guest counts post-deadline. Even when paying by cash or check, CHEF360 Catering must have a credit card/debit card on file. CHEF360 Catering **WILL NOT SERVICE EVENTS WHICH STILL HAVE AN OUTSTANDING BALANCE ON THE DAY OF THE EVENT.**

**9. How long is food service? What happens if my event runs past the scheduled end time?** CHEF360 Catering contracts are for a 4-hour event service window. Typically, food service is 1.5 to 2 hours. We arrive 2 hours before start time and are there for one hour after the event concludes. An hourly rate of \$200 per hour will be assessed for each hour past the event scheduled end time. This fee is hourly based and will not be reduced for portions of the hour. This charge will be assessed to the credit card on file, and the client or client's representative will be notified at the event.

**10. What forms of payment do you accept?** We accept all major credit cards, checks, cash, ACH, and Venmo (@CHEFTHREESIXTY Catering). **Please note that a 3.8% processing fee will be added to all credit card transactions.**

It is required that we have a credit card number on file for any overages beyond the estimated amount. This card will NOT be charged without CHEF360 Catering contacting you.

**11. What happens if I cancel my event?** If a client cancels an event, they forfeit the deposit amount. If the event is cancelled less than ninety (90) days from the event date, the client forfeits both the deposit and the 50% balance payment. If the client cancels after the final payment and guest count have been submitted, client forfeits all monies paid to CHEF360 Catering.

## FAQS – ALMOST DONE!

**12. What is *force majeure*?** CHEF360 Catering will not be held responsible for any Acts of Mother Nature, including, but not limited to, hurricanes, floods, or storms of any kind, nor any political acts, including but not limited to war, acts of terrorism, or civil disturbances. Further, CHEF360 Catering will not be held responsible for any changes to the catering site or venue, including but not limited to sale of venue or site, power outages, damage to venue, which make catering at the venue or site unsafe or in violation of state and local laws and/or DHEC requirements. It is suggested that the client purchase wedding insurance. You can visit sites such as [www.wedsafe.com](http://www.wedsafe.com) for more information.

**13. Is there a cake-cutting fee?** For most wedding cakes, the cake cutting is complimentary. For intricate, unusual cakes, there will be a fee of \$1.25 per person. CHEF360 Catering does not accept delivery of cakes, will not move cakes, is not responsible for parts/pieces of cake construction that are due back to the owner of such, and does not provide to-go items for cakes. EVEN IF A VENUE HAS A COVID- OR OTHER POLICY THAT REQUIRES THE CATERER TO MOVE A CAKE, THE CLIENT NEEDS TO CONTRACT WITH THE CAKE VENDOR TO DO SO. CHEF360 CATERING WILL NOT MOVE A MULTI-TIERED CAKE.

**14. What is the attendant fee?** This fee is charged for any “action” stations in your menu.

**15. What is the service charge?** This fee is for service on food and beverage. It is not assessed against anything other than food and beverage. This is not a gratuity or tip. This goes to pay staff.

**16. What is the load-in/load-out charge?** This fee is for the staff required to load in, prepare, setup, and breakdown your event within the contracted venue’s guidelines.

**17. What does the equipment rental charge include?** This includes all items needed to serve or consume food. THE EQUIPMENT FEE WILL NOT BE DISCOUNTED EVEN IF YOUR VENUE, PLANNER, OR YOU PROVIDE ITEMS LISTED IN THE DESCRIPTION. THIS IS NOT AN INCLUSIVE LIST.

**18. What if my venue provides rentals?** CHEF360 Catering will not reduce the equipment fee, even if a venue provides items. CHEF360 Catering is still providing equipment. If your venue provides China, flatware, glassware, etc. it is the client's responsibility to communicate to the venue or equipment provider that the venue or equipment provided needs to contact CHEF360 Catering to determine what is needed. For example, a menu with stations DOES NOT use regular sized dinner plates. There needs to be salad-sized plates and flatware at each station, and the stations need to be set up apart from each other and not in buffet form.

**19. If my venue is providing beverages, will CHEF360 Catering service these?** CHEF360 Catering will not service, set up, or clear items not rented or provided by CHEF360 Catering (except for removing dirty plates). If a venue is providing beverages, for example, and a client wants water goblets filled and set on the tables, the beverage provider needs to have adequate staff to service and clear any related items.

**20. If a venue requires trash removal, will CHEF360 Catering remove the trash of other vendors?** No. For example, if a bartending company is a company other than CHEF360 Catering, it is the client's responsibility to communicate the venue's trash policies to the bar company. The bar provider is responsible for clearing their cups or glassware and servicing their own trash.

**21. Will Chef Peter be at my event?** While Chef tries to be at every event, sometimes it is not possible. However, in most cases you will meet Chef at your tasting and be able to go over your menu with him then. At your event, there will be culinary staff and an event manager who will serve as the point person for your event. He or she will make sure to introduce himself/herself to you at the beginning of your event and will follow-up with you at the end of your event

**22. Can we pack up leftover food?** Due to DHEC regulation, we cannot box up leftover food at the end of an event. GUESTS MAY NOT BRING CONTAINERS AND BOX UP LEFTOVER FOOD. IF THIS HAPPENS, THE CLIENT’S CARD ON FILE WILL BE CHARGED A PENALTY FEE OF \$500.00.
