

# THE GOLF CLUB OF GEORGIA

## Alpharetta, Georgia

### Summary of Wedding Policies & Pricing

The Club recognizes that while all events are special, a wedding is a once-in-a-lifetime celebration. For this reason, the Club requires a Certified Wedding Planner be engaged by the host for each Wedding Ceremony and Reception. As the venue, our event coordinator is responsible for coordinating details about your event at the venue itself, including catering and food & beverage service. Whereas your wedding planner is responsible for managing all of the details of your wedding, including vendor management, execution of rehearsal and ceremony, and most importantly making sure you don't have to worry about a thing on your special day!

#### Food and Beverage:

- All food and beverage must be purchased from the Club with the exception of celebratory cakes and favors which may be purchased from a licensed facility.
- Our culinary team has reception, buffet, and plated menus designed for our event hosts to select from but they truly enjoy working with each wedding party to custom design a menu that will exceed the vision for their day!
- Event hosts will choose a bar setup and style that best fits their needs.
- All food and beverage prices include service staff with the exception of attended stations or when additional service staff is requested.

#### Fees & Minimums:
