

The \$4200 (plus tax) fee for our venue includes the rental of an executive restroom trailer which we take care of arranging for you. You hire in the other approved vendors such as tent company, caterer, rentals, and music.

We provide floral design services for your event, using seasonal flowers grown on our farm specifically for your wedding. A separate quote will be given for flowers after meeting to discuss your event in more detail. While most of our weddings fall in the \$2500 to \$6000 range for flowers, we customize your design plan to meet your personal needs and budget.
