FAQS

WHAT IF MY WEDDING IS OUT OF THE AREA / STATE / COUNTRY?

Ummm, that's awesome because I love to travel!

I do not charge for travel within 40 miles of my area (21804).

If your wedding over 40 miles away, I will supply you with a custom quote to adjust for the travel costs (hotel & airfare/mileage).

WHAT IF I ALREADY GOT ENGAGEMENT PHOTOS DONE?

That is no problem at all! engagement sessions are included within the Gold and Sparkle packages and can be used for any type of session, not just engagement. So, if you are looking to get family portraits or even are expecting a sweet bundle of joy a few months after the wedding, you can always use it then!

I do not refund the value of engagement sessions off the total package price.

THESE ARE AWESOME PACKAGES, HOW DO I BOOK?

YAY! What a huge part of your wedding planning that is quickly about to be checked off

To secure your date, please complete an inquiry form as soon as possible. I will respond back to you within 48 hours of your request.

I will send you a detailed proposal which includes the Contract and Invoice for the big day. I require a 25% retainer in order to secure your date.

The remaining balance is due 2 weeks prior to the big day.

I do have payment plans available upon request for the Gold and Sparkle package.

WILL I BE ABLE TO MEET YOU BEFORE THE BIG DAY?

I truly love to connect with all of my couples prior to the big day. That's why I believe an engagement session is SO important! This allows us to connect and get to know each other beforehand.

If you are not going to be using the engagement session, and instead using it at a later date, then I will most definitely be asking you to grab coffee one morning so I can meet you all! Or even ice cream, because who doesn't love that!
