

Pricing and Packages

The Essentials

All hands on deck - it's the big day, and my job to make sure you are taken care of! Don't worry, this package includes some basic prep work and we will work out all the kinks so that your day is as easy as possible!

Rehearsal and Day of Management

\$500

The Minimalist

So much more than just a day-of coordination. This package is the perfect package to kick off your wedding planning, check in to cover the bases, and of course facilitate all of the events vendors, guests, and last minute needs.

Basic consulting support
Cross the i's and dot the t's
Rehearsal and Day of Management

\$1,500

The Collaborator

Like what you see, but can use that extra umph? The collaborator is what you're looking for. Everything in the minimalist package is included plus all of these amazing features:

Consulting Upgrades
Wedding Website

\$2,500

The Professional

The professional is the ultimate package. Unlimited support and planning management! This package is the works - from the very beginning to the very end leave no stone unturned, no flower un-pruned, and no detail left out. This package is the perfect selection for brides who want support from day one (literally from the day we meet!). Wedding planning is daunting, there is a lot to do - and I am here to do whatever is needed
