Welcome!

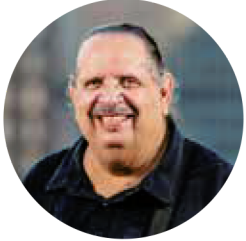

Welcome to After Hours Events of New England. We are an entertainment company that believes every experience should be as unique as you are. No matter how you envision your wedding day, we are the professionals that will help guide you in creating your memorable day.

Every member of the After Hours family is a trained professional. We understand the importance of creating an unforgettable wedding. Our business started in 1983 as a small DJ company and since then, we have grown into a company that can make your dream reception a reality.

Whether you are looking for a DJ, Emcee, Photo Booth, Uplighting, Wedding Officiant, Photographer, or Videographer, leave it to us — we have you covered. Our team takes the stress out of planning and encourages you to relax and enjoy the ride.

Event Lighting Services

Create an elegant ambiance and highlight key points of your decor with wireless LED lights in a wide range of brilliant colors!

Ambient Uplighting

See “**Packages**” page for savings!

Uplighting is used to set the mood and can be used to transform your venue by emphasizing key parts of the room with colored lights. Uplights are the small lighting units that are placed on the floor around the perimeter of the room. The lights will illuminate the walls from floor to ceiling with a colored light of your choosing. The color choices are limitless!
