Below is a breakdown of our basic package. Please know - we can make any experience you wish for become a reality! If you have any requests for additional equipment, lighting, musicians, or anything else, please let us know and we will work with you to generate a custom quote for you based on competitive pricing and fair wages.

We use dynamic pricing, and rates may rise slightly during wedding season, contingent upon several factors. We will be clear and communicative with any changes before a deposit is secured, and will not raise our rates once we are booked.

Wedding Package - \$8000 base rate (50% due at booking, 50% due on day of event)

- MC'ing duties can be covered by our team during your reception, or we can leave a microphone on for you to have one of your guests speak!
- Complete control over your setlist - want your party to be Hip-Hop Heaven? Pop Paradise? Top 40s fun? We can make it happen! Any reasonable requests will be accommodated for your setlist.
