

## **Packages**

All packages include all final images and video professionally edited. On average this is 50-100 final images per hour depending on how many people are there. More people usually means more photos.

A deposit is needed to reserve your wedding on my calendar. The deposit is half the total amount due. The remaining balance is due on the day of your wedding.

Need to review your timeline or have questions about your wedding day? Take advantage of our free consultation. At no extra charge, we can discuss your wedding details and planning.
