## Cosmic Package: (Starting at \$5,495)

The Cosmic Package is for those who wish to go all out! We pull out all the stops and bring you and your guests a wedding experience unlike anything you've seen before! You'll get everything our Grand package has to offer. Plus, Level 2 room ambiance lighting. A custom monogram of the lucky couple's name's. We project the custom monogram larger than life on the venue wall and multimedia screens. (It will leave you speechless.) Your first dance will look like something from a dream. We fill your dance floor with a low-lying cloud effect that makes you appear to be dancing on a cloud, as your family & friends look on. Your dance party will look like a world-class night club with our Level 2 interactive dance floor lighting synced to the music. The bride and groom will blast the dance floor vibes over the top with our CO2 club canon that shoots an illuminated cloud (30ft feet) over the dance floor. You'll send your crowd into a frenzy waving our LED color wands in a cascade of color that's an unforgettable treat to the eyes. (Trust us. It's just too much fun!) After the party of the ages, you'll make your grand exit with style by walking through a corridor of gorgeous sparks flying into the sky, while you and your love dash away into the night leaving your guests in awe. We promise you'll be blown away and your guests will talk about their amazing experience at your wedding for years to come.

### IN ADDITION TO THE ABOVE 'GRAND & COSMIC PACKAGE' YOU GET.....

- Custom Projection Monogram of Bride & Groom's Names
- High Definition Media Screens
- "Dancing on a Cloud" Low Lying Fog Effect for First Dance
- Club Canon & LED color wands for the crowd
- Grand Exit with Cold Spark Machines
