## NOTES & THANKS

All packages include a free consultation, 60 miles of travel, playlist curation, and song requests.

We are always open to song requests, but are limited by the songs currently in our library unless the WiFi request upgrade is bought. If you have any questions, please don't hesitate to reach out!

Tempo Multimedia strives to bring you unique and quality entertainment at a price you can afford - if you have a set of add-ons you would like to bundle, let us know and we will do our best to provide a fair price for them.

Thank you for considering Tempo Multimedia Solutions for your next event!
