## Wedding Packages

**Haiku Gardens is a picture perfect setting for your Wedding Day!** Recite your vows surrounded by the majestic Ko'olau Mountains, a tranquil pond and a lush botanical garden. No crowds, no on-lookers, just an exclusive, serene paradise reserved just for you! We are the most secluded garden ceremony site on Oahu. You may choose the private, stunning gardens or the charming open-air chapel to share this intimate moment with your fiancé and closest family and friends. Then, it is just a quick stroll back up to our award-winning restaurant that overlooks the picturesque gardens for your reception, highlighted by **Haleiwa Joes Seafood Grill's** delectable and delicious food. Your guests will rave about the view, the food, the friendly staff, and the ambience.

Haiku Gardens also offers a **unique service** as a venue- all wedding packages come with wedding planning & day of event coordination.
