

No moment too small to recall

## THE LITTLE PICTURE PHOTO BOOTH

A collaboration with a team of local designers, The Little Picture adds a hand-crafted touch of class to your wedding reception. The booth walks the line between modern and vintage, with an attention to detail that merges hints of nostalgia with a contemporary sleek design. Using a high quality digital SLR camera and a speedy photo printer, The Little Picture makes gorgeous prints instantly and is always the life of the party! The photos are exquisite, and so is the booth itself.
