

We charge \$12.50 per person per hour for our premium open bar. It includes;

- High end spirits like Tito's, Woodford Reserve Bourbon, Teremana Tequila and Mount Gay
- 5-6 wine selections
- 4-5 beer choices
- Bartenders – 1 for each 50 guests
- 3 cocktail tables
- Edison lights
- Ice, disposable plastic cups, napkins, straws
- Sodas, mixers, garnishes
- Fully set up 17-foot wooden bar
- A powerful Bluetooth speaker if need be.
- 100% refund of all payments if state government rules do not allow this size gathering
- This price covers a travel distance of 25 miles from our garage in Watertown, CT. Additional travel may come with a surcharge.

Hopefully, you do not have to do a thing except to make sure that we have a flat firm parking spot. We do ask that you help to ensure that the bartenders get a nice tip if they do a great job. You can either take care of them at the end of the night or allow them to have a tip jar.

You can certainly find cheaper bar service options, but we will make your big day unforgettable. Isn't that what you are looking for?
