Wedding Coordination

Tina did such a great job with our wedding! She was responsive and personable and it really felt like she was apart of our "community" that day! She worked hard even though it was incredibly hot and made our day that much better. We are totally recommending her for our friends in the future!

Wedding Officiant

Tina was an absolute pleasure to work with; we wanted something short and sweet and she delivered. I would highly recommend her to anyone looking for an officiant. Thank you for officiating my marriage to my best friend ❤️

Wedding Coordination

Tina was wonderful and needed!!!! Great calming force when weddings make a bride feel crazy on the inside. She helped coordinate with vendors leading up to the wedding with our weekly phone calls smoothing it all out. Shewas on top of working with the photographer, music, ceremony schedule- all of it! She was making sure wedding party knew where to be when and making sure we were all doing good! The extra emotional support and relief having her there to help and just tell me what to do day of was a gift. A bride needs that! Just sit back and enjoy the day!
