

Idaho Mountain Weddings

Bespoke Events

Thoughtfully designed events with you in mind...

The Idaho Mountain Weddings experience is one that is comprised of energy, creativity and love. Each of our events is unique and tailored with you and your style in mind. No two events are ever alike.

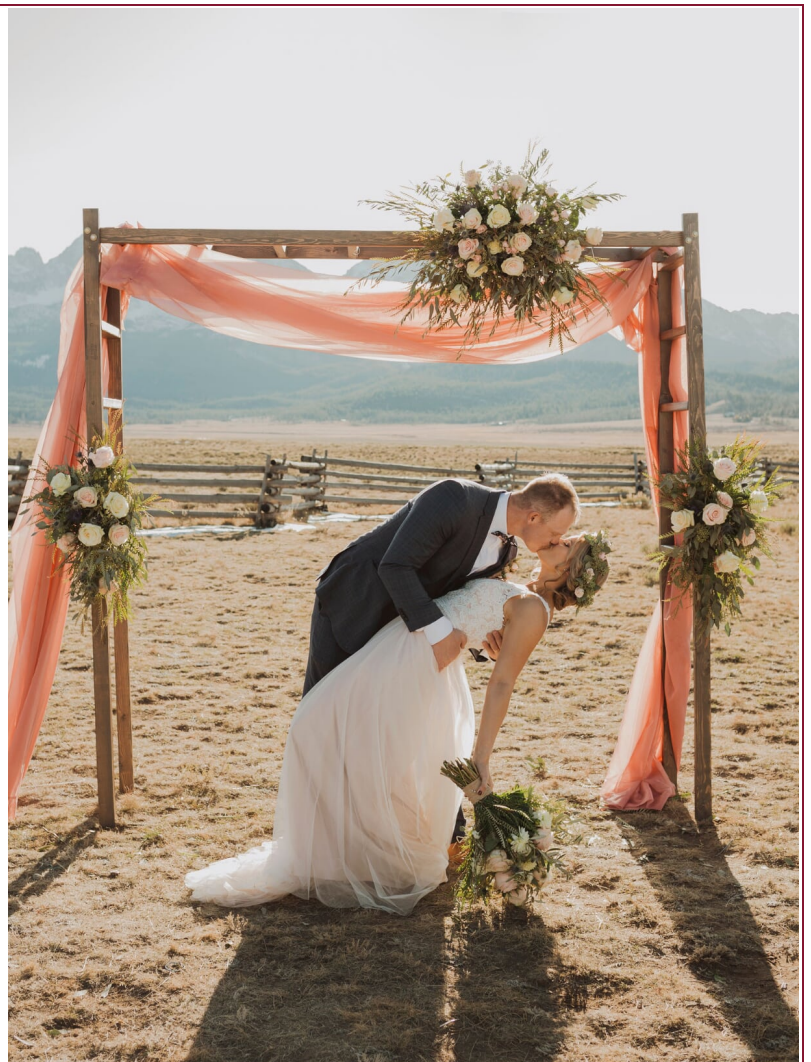

Our company came to fruition 30 years ago when I graduated high school with a dream to own my own event company. Although for about 25 years it was considered a part-time hobby business that I ran from home, 5 years ago we decided it was time to bring our brand to the forefront of the industry and so began Boise Events. Idaho Mountain Weddings is the sister company of Boise Events specializing in Mountain Weddings only.

In 30 years, we have done everything from small intimate parties to large affairs... loving every moment of it. We hope to help you enjoy the same stress-free event and happiness that we have helped countless others obtain, through our love of the mountains.

We are so pleased that you are considering us to assist you in one of the most important journeys of your life to date!
