BRIDAL TRIAL RUN:

Trial styles are recommended to ensure the style is achievable and offer an opportunity to build/alter the style. Wear a top similar to the dress neckline/silhouette. I recommend having desired haircut and color for the event date at the trial appointment. Veil and jewelry should be brought to trial style. Schedule a dress fitting/makeup trial following the trial style to see your whole look together. Please let me know if you want to try multiple styles at your trial. The bridal trial price is the same as the bridal style. Book your trial 1-3 months before the event date.

ADDITIONAL NOTES:

I will curl and style as requested with my tools/products. A complete list of products is available upon request. All styles are highly recommended to arrive 5-10 minutes early to their allotted time to ensure the day goes smoothly; We will create a day-of schedule closer to the event date. I can style an average of 8 people in 5 hours. (ex. 7:00 am – 12:00 pm) If additional stylists are needed, the host must seek other stylists for whom I may provide contact information. I will demonstrate to a guest of choice how to remove the veil. Make-up is recommended to be performed before the hairstyle. A minimum of 4 styles is required for travel. The travel fee is due at the time of booking as a non-refundable deposit. The price includes travel within 30 miles of Estherville, IA, and an additional \$1.50 per mile after that. Depending on location and start time, lodging accommodations may be needed and will require extra costs. If you have other day-of requests, ask about creating a personalized package.
