Our Vintage Warehouse + Barn

Built by The Ohio Farm Bureau to house grain and farm materials in the early 1960's. This historic warehouse is located on 3-acres complete with string lights + French inspired chandeliers. It is also home to our private bridal suite, complete with a hair + make-up studio, plus your own kitchenette!

The Veranda

An outdoor, 90' long covered area is the perfect multi-use space. This area makes The Mercantile so unique. This space provides your guests with the opportunity to be outdoors, and if Mother Nature doesn't cooperate- a back up plan! This area can be used for dining, dancing, and food service. The Veranda also extends into our Courtyard space too.

We offer two design consultations throughout your planning process so that we can bring your vision to life! The Mercantile design team will place all centerpieces, table set-ups and your ceremony space.
