

# Wedding Planning Packages

## *Details & Design*

250-325 hours

From the larger details of budgeting, venue selection and vendor curation to the intimate details and perfect details to bring it all together. This package is right for the busy couple who wants a fun planning experience and a flawless wedding day from event design to their guest experience on the big day!

## *Detail Take-Over*

175-225 hours

You've started planning and have the perfect venue but your busy lifestyle doesn't allow you to handle all of the moving pieces. You're looking for a stress-free planning experience and need assistance choosing a great vendor team to complete the work you've done so far and to carry out your vision!

## *90-Days of Details*

95-125 hours

The major decisions have been made - you just need a bit of help putting it all together and buttoning up the details. We'll make sure nothing was over-looked and ensure a seamless and enjoyable wedding day from start to finish for you and the whole family!
