## SUPER FAST 5 DAY EDIT

*Want your final video faster? No problem! I'll confirm with you beforehand to block off the days following your wedding to make it my priority.*

\$ 1 0 0 0

Before making your decision, I believe it's important to vibe with your videographer!

That's why I ask to hop on a quick video call to get to get to know both of you more and make sure we're both a good fit for each other :) I'd love to hear about how you met, what you're looking for, and which package might work best for you.
