

Wedding packages start at \$4,550

I am dedicated to providing a range of services to ensure that all of your photography needs are met. My wedding photography services include:

- All-day coverage: I understand that your wedding day is a once-in-a-lifetime event, and I want to be there to capture every moment. My all-day coverage ensures that I am there for your whole day and don't miss any fun.
- Sneak peeks: I know you'll be eager to see your photos as soon as possible, so I offer sneak peeks of your edited images within a few days of your wedding. This way, you can share your memories with friends and family right away.
- Online gallery: After your wedding, I will provide you with an online gallery of all of your edited high-resolution photos, ready for downloading and sharing.
- Planning and timeline assistance: I help with all aspects of your wedding photography, including planning and creating a timeline for the day, making vendor referrals, and even location scouting to find the perfect spot for your photos.

In addition to my standard wedding photography services, I also offer a range of additional services that couples can choose to add on. These include:

- Engagement sessions: Capture the love and excitement of your engagement with a photo session at a location of your choice.
- Rehearsal dinner coverage: I can capture the festivities of your rehearsal dinner so that you have memories of this special pre-wedding celebration.
- Boudoir sessions: Celebrate your beauty and sensuality with a tasteful and empowering boudoir photo session.
- Wedding albums: Preserve your memories in a beautiful, personalized wedding album printed and made locally to the highest of standards. My album sets even include two mini albums that make great gifts for parents
