CONGRATULATIONS ON YOUR ENGAGEMENT!

## You have found your soulmate.

## *Now what?*

First of all, a huge congratulations on finding your soulmate! As a wedding photographer for incredible couples like you, I'm honored and delighted that you'd consider me to play even a small but important part in your epic love story.

This season is certainly exciting, but wedding planning can also be stressful and overwhelming. As a wedding photographer, I'm not just here to do a job—I'm here to act as a resource and advocate, supporting you both individually and as a couple.

I created the following guide to give you an overview of what it's like to work with me and to share more information about the collections and optional add-ons I offer. If you have any additional questions or concerns after reading through it, please don't hesitate to reach out via email.

## THE EXPERIENCE

# A simple, stress-free process from initial inquiry to grand exit!

If you love the final photos I deliver but don't love the experience behind them, I haven't done my job! When you look at your wedding photos, I hope you'll fondly remember the goofy faces I made to make your little nephew smile, or the hilarious pose I struck to get that perfect angle for a shot. I prioritize communication, connection, and clear expectations throughout the process, so you'll know exactly what to expect each step of the way, freeing you up to focus on the most important moments of your big day instead of the logistics.

## THE PROCESS

## Let's break it down

### Step 1: Coffee or Camera Chat

After reading through this guide, the next step is to book a consultation with me (over the phone or in person) to discuss your needs, get to know each other, and chat about which collection is right for you.

### Step 2: Make Things Official!

If we're a good fit and you'd like to move forward, I'll send you a proposal with a contract and invoice to make our partnership official. Once you submit it, your date is secured on my calendar and you can breathe a sigh of relief knowing you just found your dream wedding photographer!

### Step 3: Get Prepped

During the weeks and months leading up to your weddings, I'll act as a personal guide, offering vendor recommendations, tips and tricks, and more. If you choose a collection with an engagement session, we'll schedule it for a few months before your wedding, and create a detailed shot list for the day of.

### Step 4: Engagement Session

It's time to capture this special, fleeting season with beautiful photos! Your engagement session is a great opportunity to get comfortable with me and my camera and practice taking pictures together. Plus, you can use the photos for Save the Dates, wedding websites, and more!

### Step 5: Cue the Wedding Bells!

The big day has finally arrived. It's going to be great! I'll get to your venue early to scout out the layout and lighting. Thanks to all the planning and prep we've done, you can simply relax and enjoy the moment while I do my thing!

### Step 6: Gallery Delivery

I'll send you a few sneak peek photos within a few days of your wedding to get you excited, then your full gallery will be delivered 6-8 weeks later. You can download and print them yourself, or I can create an heirloom-quality photo album for you.

Pro tip: Plan a date night with your spouse to look through the photos together and relive the joy of that day all over again!
