

Dear Bride to be,

Congratulations on your engagement!

Thank You for considering being part of our family by hosting one of the most important days of your life here at the Rockin H Ranch.

Choosing the right location is the first step to planning your wedding so we've focused on the four key decision-making factors: Beauty, Pricing, Value and Service. The beauty of our facility spans fifty pristine acres strategically located in the heart of Palm City between I-95 and the Florida Turnpike providing easy access for your guests and service providers. The ranch offers a wide range of options for capturing your picture-perfect ceremony. From the big green grassy knolls that stretch around our Big Blue Barn venue to our cozy patio bar and pavilion on the lagoon at Pinterest Palace or our rustic country cracker cottages lakeside at Buck's Barn, there's a place on property that is sure to fit both your vision and your budget. Cocktail hour under our covered barn positions your guests to experience some of the most spectacular sunsets south Florida has to offer and includes his and hers ADA compliant bathrooms. Our main barn keeps the party cool with 4,800 square feet under air and 50,000 watts of heart pounding sound. When you add our huge onsite inventory of decorations and props to the mix, you'll find no other facility comes close to the Rockin H Ranch in value and pricing.

Lastly, our team of professionals will guide you through the process here and answer any questions you may have about the facility. We encourage you to book a tour of our facility and experience the Rockin H Ranch first hand, because choosing a location for your wedding is the single most important decision you'll make.

If you have any further questions email us at [info@rockinhranch.farm](mailto:info@rockinhranch.farm) or call me at 772-263-0225.

I look forward to meeting you.

Sincerely,

David Gonzalez  
Director of Operations  
Rockin H Ranch.

### **Vendors:**

Although we provide all our clients a top shelf preferred vendor list of proven service providers, you can use any vendor you like with the exception of alcohol. Alcohol is the single biggest liability for any event. For this reason, we've chosen to work with one company exclusively. This single source approach leads to better pricing, service and peace of mind for our clients. It also provides exceptional value when you choose our onsite rehearsal dinner option and or day of alcohol services. The agreement is directly between you and the service provider so there's no middle man.

### **Wedding Insurance**

Wedding insurance policies are inexpensive and provide an additional layer of protection for your event. The need for Wedding Insurance is reviewed on a case-by-case basis. However, these policies are required when clients choose to have unique activities and or provide certain services that would normally be provided by licensed and insured vendors.

We have included this online link for your convenience.
