WEEKEND WEDDING PACKAGE

Our property is exclusively yours Friday through Sunday.

Invite your closest family and friends to stay on-site for a private long weekend celebration.

Get ready

in the private residence Saturday with separate areas for each wedding party, a billiards table, wrap-around porch, vintage accents, balcony and views for miles.

Bust a move

in our gorgeous canopy tent. Don't worry about any heavy rentals or setup; tables, chairs, bistro lighting, bar and dance floor will all be set up on a new full cement tent floor.

Host your closest friends

in our 4 new guest cabins. These charming themed cabins accommodate up to 16 guests, and offer breathtaking treetop and waterfront views. Each cabin has its own bathroom, and guests enjoy a shared outdoor kitchen.

Tie the knot

at the water's edge on our Ceremony Peninsula. Take those "money shots" on the rocks to remember this magical moment forever.

Get cozy

in our Honeymoon Cottage; your own little oasis on the water. Soak it up in our tub underneath the stars while you watch the moon dance across the water.

On-site staff

will guide your guests to the parking lot, drive mobility challenged guests in our golf cart, and answer facility-related questions throughout the weekend.

Investment: \$15,000

We had a truly unique experience that our guests will never forget! You can't beat the view, and watching the sunset over the bay is a magical wedding day experience.
