

# WINTER WEDDINGS

## IN JACKSON HOLE

A scenic view of a snow-covered mountain range at dusk or dawn. The sky is a mix of soft blues and purples, with some clouds catching the low light. The mountains are rugged and covered in snow, with some peaks showing patches of bare rock. In the foreground, a line of dark evergreen trees stands against the snowy landscape. The overall mood is serene and majestic.

Meal service is based on a two-hour serve time. An extension of actual service times is subject to additional labor fees.

## GUARANTEES

The guaranteed food and beverage numbers must be provided by 12 noon, three business days prior to the event start date, excluding weekends and holidays. This number will be the final guaranteed minimum and not subject to reduction after this time. We will prepare 5% above the guaranteed number of guests. Final charges will be based on the guaranteed number of guests or the total number of guests served, whichever is greater. If guarantee is not provided, the estimated number of people will become the guarantee.

## SPECIALTY ORDERS

Our culinary team is happy to assist with ordering any specialty food and beverage items in advance. Products that are not normally stocked are considered specialty orders and may require additional cost.

## OUTSIDE FOOD & BEVERAGE

Outside food or beverages are not allowed at any event. Licensing restrictions require that only food and beverage purchased by Spur Catering can be served at events. An Early Chef Fee and Early Server Fee of \$160 each will be applied to any food ordered prior to a 7:00am start time. There is a \$200 fee for a dance floor. If a room set-up is changed within twenty-four (24) hours of the event, there will be a minimum additional fee of \$200 for the re-set.
