H** *aesthetics*

**Smooth Aesthetics is a mobile hydration, beauty, and performance + wellness business based in Austin, Texas.** We deliver every service in settings that are convenient and comfortable for our clients, whether in your own home, gym, or office. Our vision is to develop trusting relationships using personalized services **that will leave you looking and feeling your best.**

Services can be customized via one-on-one sessions or group settings such as a girls' night botox party, bachelorette/bachelor after-party hydration, or fitness-centric hydration.

Smooth Aesthetics is locally owned and operated in the Austin/Round Rock area by the Leyvas, a Texas native husband and wife team. The Leyva's passion to help "healthy people stay healthy" and their genuine patient care gave creation to Smooth Aesthetics. The mobile business is an extension of their love for the city, bringing services to people in the comfort of their own spaces.

## hydration

### Hangover Recovery \$150

Our *Hangover Recovery* assists in your rehydration by reducing the symptoms associated with a hangover such as nausea, headache and heartburn so you can get on with the rest of your day. For severe hangovers, make it a double (2 Liters of Fluid) for an extra \$50.

### Post Workout \$150

This drip will help your recovery by decreasing muscle soreness, replacing minerals and infusing muscle building vitamins.

### Migraine Relief \$150

*Migraine Relief* includes medications for pain and nausea, as well as minerals to help reduce the symptoms of a migraine headache.

### Allergy Relief \$150

Fight those Texas allergies and start feeling better right away. This drip includes immune boosting vitamins and a steroid.

### Custom Hydration \$150

Consult with Dr. Aarti to create a custom hydration solution that meets your needs.

It's always more fun  
with a friend!

Host a party with us and receive discounts of up to 20% depending on party size. We come to your home, hotel, gym, or office, and the host gets a special gift from us. Contact us for details and custom pricing.

## beauty + aesthetics

### Botox® \$10 /Unit

Botox® is a temporary treatment that has the potential to improve your facial appearance by reducing the presence of wrinkles. The effects last between 3 to 4 months.

### Xeomin® \$9 /unit

Xeomin® is another temporary treatment that is similar to Botox and has the potential to improve your facial appearance by reducing the presence of wrinkles. The effects and duration are similar to Botox® and may be useful for those who develop a resistance to Botox®.

Service takes an estimated 30 minutes to administer.

### Cosmetic Fillers \$500 /Syringe

Injectable facial fillers are a non-surgical alternative to smooth and contour your lips or face. Results are immediate and there is no downtime or general anesthesia. Consult with us to find a filler that will work best for you and your goals. We offer **Juvederm® Ultra**, **Juvederm® Ultra Plus**, **Radiesse®**, and **Versa™**.

### Kybella® \$500 /Syringe

Kybella® is FDA approved for the non surgical removal of fat from under the chin. It works by breaking up fat in desired areas and liquefying them. Results are apparent in 4 weeks and there is no downtime.

Service takes an estimated 45 minutes to administer.

### PRP: Micro Needling Facial \$300

Your own blood is collected and Platelet-Rich Plasma (PRP) is applied to your skin followed by micro needling to leave a smooth appearance to your face, helping to reduce blemishes and minimizes the appearance of scarring.

Service takes an estimated 90 minutes to administer.
