

WEDDINGS

Everything from budget minded to broader and elaborate scales. We adapt to your taste in themes, personal style, and cultural needs.

***STARTING AT \$2,200**

During a consult, this range is based upon your needs; locally or out of state. We will cover everything you need: Capturing in Ultra High Definition footage, all main events and highlights, a long version video & shortened recap video to easily share via social media. We can add additional cameras that accommodate bigger parties and venues that will capture more variety. We like to arrive early to your event but you can specify what time we show up. We will cover various locations and you have us all day!

ADDITIONAL SERVICES
