### ***Film Package - Add-On Items***

#### Wedding Highlight - \$800

This is a 3-5 minute video that captures the entire Wedding day from Ceremony to Reception to feature the highlights and special moments. It includes a selection of shots edited to selected music.

#### Love Story - \$700

This is a documentary style video of the story of your love. This includes interviews of the bride and groom with various pictures and videos of your wedding day and past.

This can be added to your final video.

\*Client must provide the means of showing the video if desired to show at the reception.

#### Guest Messages - \$200

We will request a personal message from your guests at the reception. These messages will be infused with the Reception video. Couples love this feature!  
It's a favorite add-on!

#### Thank You Video - \$300

A Digital Thank You Video to send to your guests after the wedding.

#### Raw Footage

Raw footage available upon request. Please inquire about pricing.

#### Footage Editing - TBD

Do you have wedding footage but need it to be edited together in a cinematic way?  
Contact us for a quote! Prices are determined on amount of footage and final product requested.
