The deposit will hold the date and can be used towards services on the day!

Cancellation Policy- If your wedding date changes and it works out where I'm available that day i will move the date, no charge. If

canceling your services, i can refund the deposit if i can fill the date. Please give at least a months notice. The amount of services done will

determine if a second stylist is needed and the numbers can increase if the time allows but can't be decreased. If someone decides last minute they don't want a service than they will still be charged.

Things to know ahead- I recommend doing a trial 3-5 weeks prior, this helps me get to know you and your hair or skin, it relieves a lot of stress knowing your hair or makeup will be perfect! Having inspiration pictures helps when doing the consultation. If you want the full look, bring the veil/headpiece. Bring someone with you to help with decision making!

I would love pictures for my profile! You can tag vermont wedding hair on Facebook or instagram! I would also love a review! this helps other brides when looking for a stylist for their big day!
