*\$250.00 First Responder/Military discount

"Having our wedding at this venue was the best decision we made for our wedding. We fell in love with the barn long before it was even finished. We got married September 30th and everything about it was perfect. The bridal suite was the perfect spot for the girls to get ready, the lights and chandeliers are gorgeous and the new bathrooms have that great rustic appeal! We had sooo many guests tell us they loved the barn!"
~ Amanda L.
