### **Partial Wedding Planning - \$4,500 / \$6,500**

Did you begin planning your wedding and decided it wasn't your cup of tea? Maybe you have a venue, a date, and vendors in mind but haven't dug into the nitty gritty details. That's where we come in! Don't stress over the communication, detail and organization; we will fine tune all your thoughts and wishes into an extraordinary experience you will never forget. This package is designed for 3 months or 6 months prior to your wedding day.

### **Day-Of Coordination - \$2,500**

We say "day-of", but we really mean month-of! Of course you need a trusty sidekick to make sure your big day runs smoothly, but first we need to get on the same page. One month prior to your wedding day we will chat about your plans, desires, needs and create a contact list for us to touch base with all booked vendors. This ensures that everyone is working with the same schedule and details, leaving no room for error. Your ceremony rehearsal is also included to iron out the details, shake off the nerves, and rally those hooligans you've deemed the wedding party!

### **Rehearsal Dinner, Add On - \$1,500**

You have enough to worry about planning your big day, no need to add to the stress! Whether you want an intimate dinner the night before, or a bash to start out the party weekend, we will handle it for you. Let's chat about location, menu, drinks and any other unique ideas you may have.

**Wedding Design, Add On - \$2,500**

Maybe you know what you like, or what you don't like, but putting everything together into one vision can be tough. We will help you pick colors and textures, floral arrangements and linens, menus and more! Weddings should be creative, cultural, and uniquely you; a representation of your personalities and experiences. Let's put those ideas to work and create an amazingly unforgettable celebration!
