REAL TESTIMONIALS

Erin was truly a pleasure to work with because she has a casual yet amiable personality that allows her to easily connect with those whom she works. It was evident she cared about us as a couple. Many of our family and wedding party commented that our photographer seemed to be doing a great job and was very pleasant to work with and my family couldn't believe how many sneak peek photos we got back so quickly! 10/10 would recommend.

Luke and I are SOO happy to have chosen Erin to be our wedding photographer! From the moment I spoke with her on the phone, I loved her easy going, bubbly personality. She is passionate about what she does, and it shines through her work. I loved that she listened to us and wanted to get to know who we were as a couple and what we were looking for in our wedding photos. For the day of the wedding, Erin and I had come up with a schedule, and I am happy to say that it went on without a hitch! Erin and the second shooter took amazing pictures that day and captured all our family as well beautifully. LOVE LOVE LOVE Erin.

Olivia G. ★★★★★

Erin was so amazing so work with for our wedding! She was so responsive and helpful while planning and reviewing our timeline. We felt SO comfortable on our wedding day with her guiding us and capturing our moment. She even went into an ice cream shop and convinced the owner to give us ice cream to create AMAZING photos. We got our pictures back so quickly and they look perfect! Well worth the investment for HER photos!

FREQUENTLY ASKED QUESTIONS

When will I receive my photos?

For weddings, I always provide a sneak peek within 24-48 hours of your wedding to enjoy while you wait for the rest of your photos. The entire gallery will arrive within 4-6 weeks.

For portraits/engagements your gallery will be delivered within 3 weeks.

How will I receive my photos?

You will receive your photos via a private online gallery where you will be able to favorite, download, and share your images at both web resolution, and high resolution.

How many photos will be included in my gallery?

The number of images in your online gallery depends on a few things. The size of the wedding, length of coverage, and what is going on at the wedding. A good rule of thumb is to expect about 100+ images per hour of coverage.
