DOUBLETREE
BY HILTON™
NIAGARA FALLS NEW YORK

FREQUENTLY ASKED QUESTIONS:

How many guests is the maximum capacity?

Our Rivers Edge Grand Ballroom can host up to 350 guests for a wedding.

Do you offer parking?

We have two lots on either side of the hotel and one gravel lot across from the hotel for overflow parking. There is a discount fee of \$7.50 for wedding guests staying at the hotel. The Bridal suite and parents of the wedding couple with upgraded suites will have complimentary parking for their stay.

Where would we get married if we have our Ceremony on-site?

We have two places on property for your wedding ceremony. The first being our outdoor patio that is right off the Grand Ballroom. We have 100 white folding chairs for the patio and can hold up to 200 people sitting and standing. The second location would be our small ballroom on the lobby level of the hotel. This room can hold any amount of guests and we use our gray banquet chairs for this space.

Where can we take pictures on-site?

Pictures can be taken around the hotel in many different areas. Inside, we have our grand staircase and modern restaurant for beautiful photos. We also have two different patios at the hotel that are great for large families! Outside, we have a gorgeous front arbor with string lights which is great for photos at dusk. We have a wide open area in our backyard and are very close to the Niagara River for beautiful water shots.

Is there a wedding suite available?

Yes! We block our Brides in our largest suite at the hotel. You can also book one of our Hospitality rooms for the day of your wedding. This room can be used as the getting ready space for the bridal party and then the after wedding party room. Breakfast can be ordered in the morning while hair and make-up are getting done.

I really want a backdrop, up lights, and specialty linen; can we bring that in ourselves?

Yes, you can! We do provide up lights with all our packages and can produce any color with them in the ballroom. All other décor items are welcomed to be brought in and we will work with your vendor for a drop off and set up time.

FREQUENTLY ASKED QUESTIONS:

What does on-site coordination mean?

One of the best perks with booking your wedding here at the DoubleTree is that our team will set up all your décor items including name cards, centerpieces, ceremony items, gift boxes, favors, menus and so much more. We also make sure your event runs smoothly and stays on time. There is no need to worry on your big day when you book with the DoubleTree!

How many bars are there?

We have two bars in our Grand Ballroom area. One bar is outside the Grand Ballroom which is only open during Cocktail Hour. The main bar inside the Grand Ballroom is open for the entire wedding (*minus during dinner service*). We will have 1 bartender for every 75 guests at your wedding. Most of our banquet staff are cross trained and if lines ever get long, they know to hop in and help out to make sure all your guests are satisfied in a timely manner. We do also have portable bars that you can have at your wedding for an extra bartender fee. These are great to have on our outdoor patio for a nice summer day!

Do we get to try our wedding food before the wedding?

Yes! During the beginning of your wedding year we host our Annual Wedding Tasting Showcase for booked DoubleTree couples. At this event you will have the opportunity to try all the wonderful food on our wedding menu. All Brides and Grooms receive complimentary tickets to the event but any additional guests can purchase tickets. We set up the ballroom like a real wedding and have all of our favorite vendors there so you can meet them. It truly is a wonderful night!

Will we get a room block at the hotel?

Your room block will be set up a year out from your wedding date. You will receive a 3 digit code for your guests to use to book their rooms. We also give you a discounted rate for booking your wedding with us! The Bride and Groom will get a complimentary suite the night of the wedding. Parents of the Bride and Groom will receive an upgrade on their room at the block rate. Our Sales Office will handle the Bride & Groom and Parents Suites. We will confirm arrival dates and departing dates at the detailing appointment a few months out from the wedding.
