

## MAJESTIC HOTEL - WEDDINGS - 2019

---

### HOTEL ROOMS:

The Majestic Hotel boasts 16 exquisite hotel rooms, each with unique decor and varying amenities. Your guests can view photos of the rooms and descriptions of their amenities by visiting our website, [www.majesticoceangrove.com](http://www.majesticoceangrove.com) and clicking on the “lodging” tab. You can room block as many or as few rooms as you’d like for your guests, but please note that there is a two night minimum stay Memorial Day - Labor Day, and you must reserve all 16 rooms should you plan on utilizing the lobby space as a dance floor. Reserving the entire facility will allow for an extended 10:00PM end time, rather than 9:00PM.

The hotel will offer a special 20% rate discount for the bride and groom. Guest discounts will depend of the number of rooms reserved. 5 - 8 rooms will result in a 10% discount, 9 or more rooms will result in a 15% discount. All bookings must be requested directly to the hotel by calling **732-775-6100**. Ask your guests to reference your last name(s) and the date of the wedding when booking. Reservations must be finalized 45 days before the event.

### CEREMONY:

We offer numerous ceremony locations; the most popular locations are the beach and Ocean Grove pier (both just one block from the hotel). Other options include the front lawn, as well as the “ocean view” room and lobby located inside the facility. Ceremony rehearsals are permitted, and our event coordinators are available to assist with the seating, processional, recessional and receiving line. A ceremony fee of \$200 will apply.
