

Rivercrest Farm & Event Center

Packages and Prices

Rivercrest Farm is nestled in the Blue Ridge Mountains, located on 250 acres of Shenandoah Riverfront.

Old meets new in our Event Center, where we combine rustic, weathered wood with soft white lighting, climate control, professional DJ lights, seating for 250 guests, and space for catering.

With multiple unique ceremony sites, lots of outdoor space and a gorgeous loft, Rivercrest offers the space to stretch out and relax. Enjoy cocktails and dancing in the courtyard, lounge by the fire in our comfortable couches, or host outdoor party games on the back deck.

Versatility is what makes us special - each couple makes the space their own.

From lovely green spring celebrations to brilliant autumn festivities, weddings at Rivercrest Farm surround you with beauty and love.

We offer on-site accommodations for up to 26 guests, and exclusive, multi-day access to the barn for decorating, rehearsals and rehearsal dinners.

Our goal is to provide the perfect place to take the stress out of planning any event.

Peace of mind and togetherness in breathtaking surroundings is truly what makes us a wedding destination.

Versatility is what sets us apart and makes Rivercrest Farm unique.

My daughter was married there... Words can never express our joy and love for Rivercrest and every single person who worked with us! It was P-E-R-F-E-C-T!!!!!! Anyone thinking of getting married in this area HAS to check them out. Bridget is a saint and extremely brilliant. We hired her as our DOC the first time we met her. She is in love with her job and it shows. Between Scot and Bridget, we never had a worry. We do not live in that area and every vendor she suggested turn out to be phenomenal to work with! We love all of you at Rivercrest!!!!!! - Carole

My husband and I had an absolutely dream experience with Rivercrest. Bridget was our event coordinator as well, and she was hands down the best decision we made during the whole wedding process. She and the whole crew made our big day go so smoothly. Could not recommend this more highly! - Hanna
