

wedding collections

2020 - 2021

All wedding collections receive a complimentary engagement session, 10-year access to an online gallery with download capabilities and full printing rights. These collections vary, and it is encouraged you discuss with your photographer before deciding which one is right for you!

Collection One: \$2,600

6 hours of coverage and two photographers. This collection is designed to be economically friendly and approachable in cost.

Collection Two: \$3,100

8 hours of coverage and two photographers. This collection is for the bride who wants all of the major events covered, and is the most popular collection.

Collection Three: \$3,500

10 hours of coverage and two photographers. This collection is designed for the bride who wants every moment captured.

A 30% deposit and signed contract is required to reserve your wedding date. Your remaining payments will be split into two equal payments, with the final balance being due 4 weeks before the wedding date.
