Welcome to Aura Photo Pros, the premier provider of aura photography services for weddings in California and beyond!

Aura photography is a unique and immersive experience that your guests will never forget. Our team will capture the unique aura of each guest, creating a beautiful and colorful reminder of their experience. Each of your wedding guests will leave with an unforgettable experience and a tangible memento to remember it by. Our team is dedicated to providing you and your wedding guests with the most fun, unique, and memorable experience possible!

When you book an aura photography booth with us, you can expect a truly exceptional experience. Our setup process is quick and easy, and our team will be there to help you every step of the way:

- On the day of your wedding, we will arrive early to ensure that everything is set up and ready to go for the start of your reception.
- During your wedding, we will provide two attendants to ensure that everything runs smoothly. Our team will be on hand to help out with any questions or issues that may arise.
- After each aura photo session, each guest will immediately receive a printed 4x6 photo of their aura, along with a reading of their aura colors.
- After the wedding, we will take care of all the details. We will store all of your photos securely, and you will be able to access them online. You will also be able to share the photos with your guests, as well as use them for your own personal keepsakes.

At Aura Photo Pros, we are dedicated to providing you with the best possible experience. We understand that a wedding is a special occasion, and we want to ensure that you and your guests have the most unique and enjoyable experience possible.

Our Aura Photo Service is mobile, so we are able to travel anywhere in the world to provide this magical addition to your special day.

If you have any questions or concerns, please do not hesitate to contact us. We look forward to helping you create an unforgettable experience for you and your guests!
