# FAQ'S

***Why choose Mendocino Photo & Video?***

As the proprietor and primary cinematographer and director at Mendocino Photo & Video, Nile loves being part of a couple's special day and helping them to be at ease while he captures the most beautiful and intimate moments of this joyous celebration—allowing couples to relive this special day for years to come. Nile offers both a personal experience as well as a sense of calm and is dedicated to his job with great integrity and commitment.

***Are the services offered flexible?***

Yes. If the curated list of collections does not suit one's needs, please reach out to Nile directly to inquire about a customized collection.

***Does coverage include drone footage?***

All collections include drone footage.\* This typically includes some flight over the ceremony site and venue prior to the ceremony, and footage of the wedding couple together, if possible. Additional drone footage is available. Please reach out to Nile directly to inquire about customized drone footage. (\*Drone flight is always subject to flight restrictions, the legality of flying in each location, weather conditions, and other factors that may limit drone use.)

***What is the business policy for travel expenses?***

For weddings in Sonoma, Napa, Mendocino, Lake, San Francisco, Alameda, and Contra Costa Counties, there are no travel fees associated with the collection pricing. For other destinations, driving or flight costs, accommodation, food, and additional transport may be charged.

***How many videographers are on the Mendocino Photo & Video team?***

Nile is the primary videographer and additional videographers can be added to any package. Except for the Premium Collection, packages include one videographer as standard.

***What is the payment policy?***

A 50% non-refundable deposit is due to reserve the date of the wedding. The balance is due on or before the day of the wedding. Many couples prefer to pay the balance before the wedding date, or at least give the payment to someone else to deliver to the videographer, so they don't have to worry about it on their special day. This is recommended.

***What forms of payment does Mendocino Photo & Video accept?***

Payment is accepted by check (payable to Nile Sprague), Venmo (@mendocinophoto, please use the method without fees), Zelle, or cash.

***What is the turnaround time for a wedding film?***

Highlight videos are typically delivered in eight to ten weeks, with additional videos delivered in the weeks following. Teaser videos are typically delivered around five days after the wedding.

***Does Mendocino Photo & Video offer other types of videography or photography?***

In addition to wedding film and photography, Nile works as a photojournalist and documentary filmmaker for non-profit international development organizations. Nile also shoots dance and music events for fun; he loves dancing and music, so documenting them through film and photography allows him to bring together several of his passions in a way that he enjoys.
