## BEST DAY EVER

ERIN

I could not have asked for a more perfect hair and make up look for my wedding. ***My hair turned out even more perfect than I imagined, and my make up was flawless.*** My bridesmaid and mother were also obsessed with their looks for the wedding. I would highly recommend Refined Beauty for any bridal services.

MARIA

Jennifer and the Refined Beauty team are beyond amazing! My wedding reception was outdoors on a day the temperatures hit above 100 degrees and ***my hair and makeup remained flawless.*** I cannot recommend Refined Beauty enough. I am so glad Refined Beauty's quality products, talent and industry knowledge were a part of my wedding.

LINDSEY

Refined Beauty made it very easy to organize our event and was very quick to answer my questions. They were prompt, professional, and styled each girl exactly how they wanted. ***Despite the rain, our hair and make-up still look perfect - there were no strands out of place and no smudges!*** Even after the rain and dancing for hours, my hair still looked amazing by the time I made it back to the hotel. I was very impressed with the quality of work Refined Beauty provided and would highly recommend them for any special occasion!
