Ceremony Only Package - \$950

This package is our most affordable option. We will provide one videographer for your ceremony. The final deliverable will consist of a full-length video, with a duration matching that of your ceremony. Some bride and groom preparation will also be included. Choose this option if you just want to document your wedding ceremony.

Highlight Video Package - \$1,950 (our most popular package)

We will provide one videographer for up to 8 hours of coverage (see **Options** below if you need more coverage). The final deliverable will consist of an approximately 7-10 minute highlight video.

The highlight video will cover all the important moments of the day, from preparation to the ceremony to toasts at the reception to dancing.

Documentary Video Package - \$3,150

We will provide two videographers for up to 8 hours of coverage (see **Options** below if you need more coverage). The final deliverables will consist of:

1. an approximately 7-10 minute highlight video
2. a full length "documentary" video, with a duration of approximately 45-60 minutes

The full-length "documentary" video includes all the important events leading up to the wedding, the ceremony, the reception, toasts, dancing, and much more. A full-length video can range in duration based on the events of the day. This is the most comprehensive coverage package that we offer.
