## My Four Wedding Packages Are Very Flexible.

**MAKE YOUR PACKAGE WORK FOR YOU:** My four main wedding packages are very flexible. You can swap, trade and exchange albums and/or enlargements post-wedding so you only receive sizes and items you need. There are numerous options allowing you complete control to customize content after your wedding, so you never get 'stuck' with content you don't need. This way you tell me what you want and self-design your package content to make it work for you.

**NO HIDDEN COSTS:** We are open and transparent with pricing. There are no additional fees unless you upgrade a wedding album and/or add extra pages. All charges are always included in quoted rates. There are no extra fees to receive all your edited pictures on a flash drive. A second back up flash drive is always included with any coverage selected. Online viewing is also included for at least five years with any coverage. There is no additional charge for travel unless indicated. **Tax is always included in all quoted rates.**

**EXCEPTIONAL VALUE & QUALITY:** Any professional you hire should be excited to work hard as part of your wedding team. We always do our absolute best to make sure each couple we work for is delighted. That's our job. I'm hopeful you'll find my coverage options provide surprising value without compromising quality; plus, flexibility allowing you complete control of package content post-wedding.

**STRESS-FREE & SIMPLE:** Do look through online reviews at [WeddingWire](#) and The Knot as these offer insight from real couples we have worked for and their experience with my company. We always say to couples, your job is to enjoy your day and not worry about things, our job is to work hard and make you delighted.

**We are honored to have more five-star reviews online (over 1,000) than any other photography company in New York state, Massachusetts, Vermont or anywhere else in New England.**

**ENGAGEMENT PICTURES:** If you need creative pictures, we'd love to take these for you. Anywhere from Saratoga and Lake George to Boston and Cape Cod. Also, the Syracuse and Rochester area. Engagement fee varies depending on location. [Click here to view lots of lovely engagement pictures.](#)

**\$100 SATURDAY PACKAGE DISCOUNT:** The package rates below have a \$100 discount for any Saturday date. An additional \$100 discount would apply for any Friday or Sunday date (*from April through October*). Any November through March date would receive a \$300 discount regardless of day. There are always additional discounts for midweek dates. There may be a fee/adjustment to a package discount for longer travel distances.

**ONLINE VIEWING FOR FIVE YEARS:** The way online viewing works is very simple. After your wedding, I'll email you a web link that you can share with anyone you wish. You can have your pictures password protected or 'unlocked' so anyone you share your link with can download images at no fee. You can also make any image(s) private if preferred and/or create favorite lists. Your online link is compatible with all smart phones, iPads, tablets laptops and pc's.

**There will be no logos or watermarks on ANY of your pictures either on your flash drive or your online viewing link.**

**WEDDINGS-BY-THE-HOUR:** For couples who are looking for a large wedding package, but still want great coverage, WBTH is a brilliant alternative. Everything is very flexible, allowing you complete control over how much coverage time you want. **See separate attachment for detailed WBTH information and discounted hourly rates.**

**The package rates below (for my four main packages) already have a \$100 Saturday discount included. The listed price is the total cost and includes all tax and travel fees unless otherwise indicated.**
